

The Place

Complaints Procedure

Scope of Policy

Please note that this procedure applies to external complaints from members of the public. There are separate policies and procedures for Student Complaints, Whistleblowing, Bullying, Harassment, GDPR enquiries and Staff Grievances.

Introduction

The Place welcomes feedback from the wider community about the provision of education, services and facilities offered as part of our commitment to enhancing the quality of our provision.

Any complaints by members of the public about either the conduct of a staff or student or services provided by The Place should be reported to the customer.relations@theplace.org.uk email address.

Any verbal complaints received will be reported through the email address above. Complaints received in hard copy (letter or email) or via social media or other alternative forms of communications will also be reported to this email address with scans/photographs/screenshots of the original complaint details provided.

The customer.relations@theplace.org.uk email address will be monitored by the HR Coordinator and Communications Assistant in the first instance; complaints will be directed to relevant line managers from there for further action. All complaints received through this channel will be acknowledged within 2 working days of receipt with an explanation of the next steps.

Real Time Complaints

When a real-time complaint (E.g. noise) is made either over the phone or in person this should be directed to our Reception team at Flaxman Terrace or on 020 7121 1000. Our Reception staff will ask for clarification of what the issue is and where it's happening. They will pass this on to the relevant Duty Manager who will resolve the issue.

Informal Resolution

The complaint will be sent to the relevant departmental line managers who will be the first point of contact for response to complaints and should acknowledge that they have received the complaint within 7 days of the complaint being reported/made. Further actions can then be discussed and negotiated in order to resolve the issue.

If the complaint cannot be resolved by the department line manager, it will be escalated to the formal complaint procedure below. In some cases, for where the nature of the complaint is severe, it will automatically be dealt with using the formal complaint procedure below.

Formal Complaint

Complaints of a serious nature, will be considered in the following way:

- The HR and Administration Manager or Director of Operations and Strategic Projects will appoint a Manager to investigate the complaint. The investigating officer on completion of their investigation into the complaint, will write to the member of the public within 10 working days.
- A formal complaint considered under this procedure will result in one of the following outcomes:
 - The complaint is upheld, the investigating officer will write to the complainant explaining this and any actions taken as a result
 - The complaint is not upheld, but the HR and Administration Manager or Director of Operations and Strategic Projects believes the complaint has been investigated fairly in which case the investigating officer will write to the complainant explaining this

There is no further right of appeal.
